

Mighty is the thunder
of Your Name,
Louder than the pound
of storm-tossed waves,
Far above all earthly
kings and realms;
The Lord God, Almighty.

VERSE 1 cont'd

Higher than the heavens o'er the earth
Farther than the East is from the West,

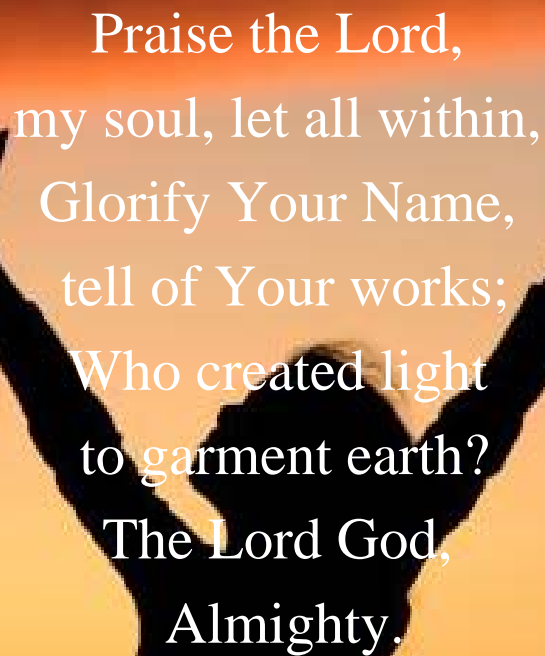

Deeper than the trench
carves ocean depths;
Love from the Almighty.

CHORUS

*For our Father so loved the world
He gave His One only Son,
Whoever now will believe in Him
Will have life forevermore!*

VERSE 2

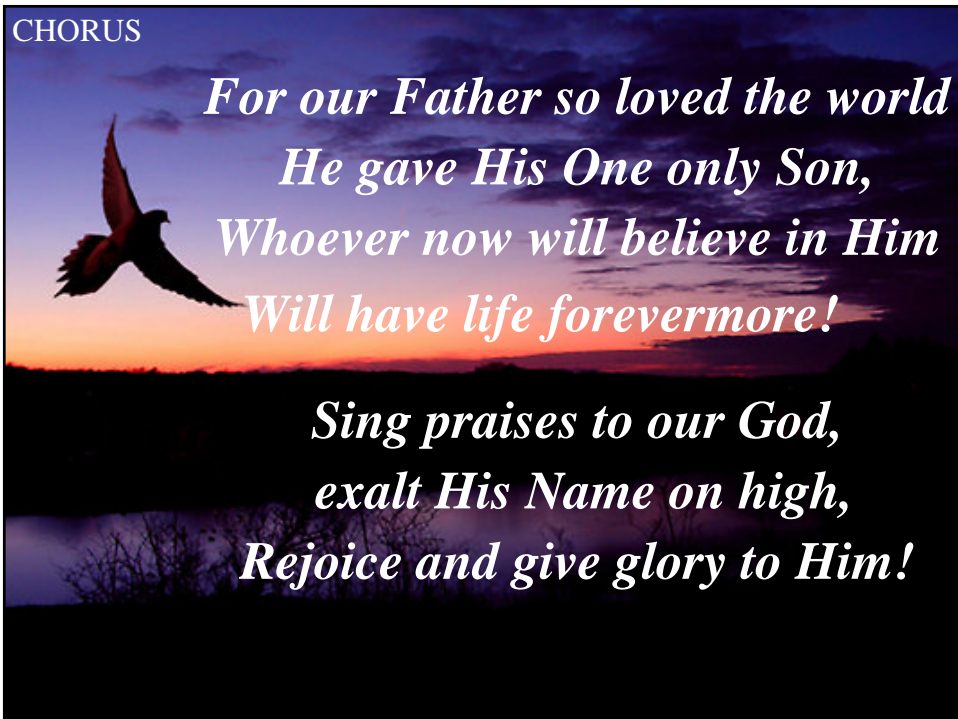

Praise the Lord,
my soul, let all within,
Glorify Your Name,
tell of Your works;
Who created light
to garment earth?
The Lord God,
Almighty.

VERSE 2 cont'd

Love so patient, kind,
it does not boast,
Trusts, protects and
always gives us hope,
Sends the Spirit's power,
revealing truth;
Love from the Almighty.

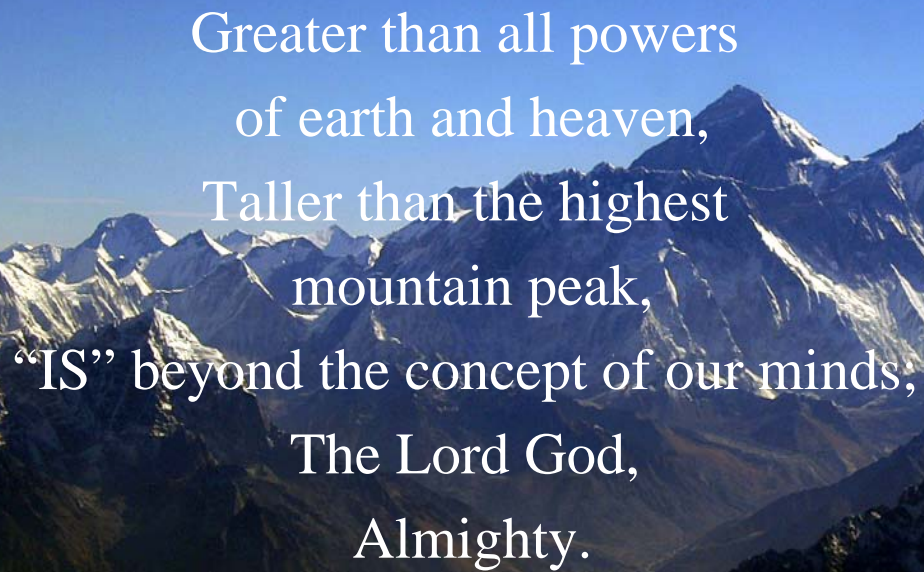

CHORUS

*For our Father so loved the world
He gave His One only Son,
Whoever now will believe in Him
Will have life forevermore!*

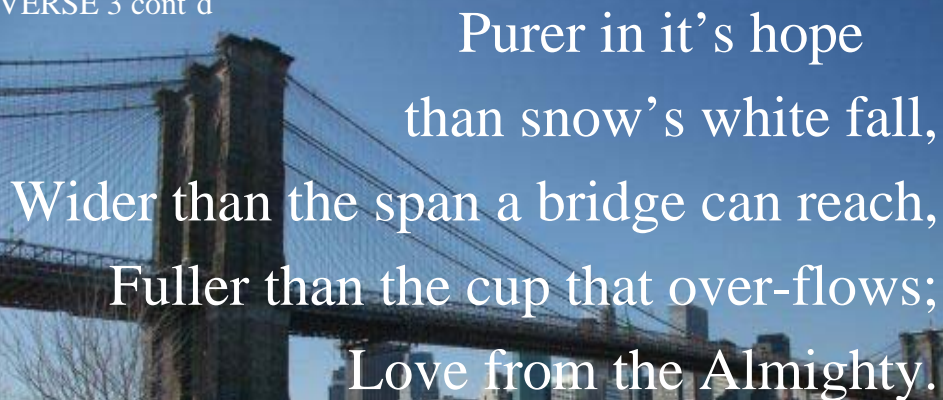

*Sing praises to our God,
exalt His Name on high,
Rejoice and give glory to Him!*

VERSE 3

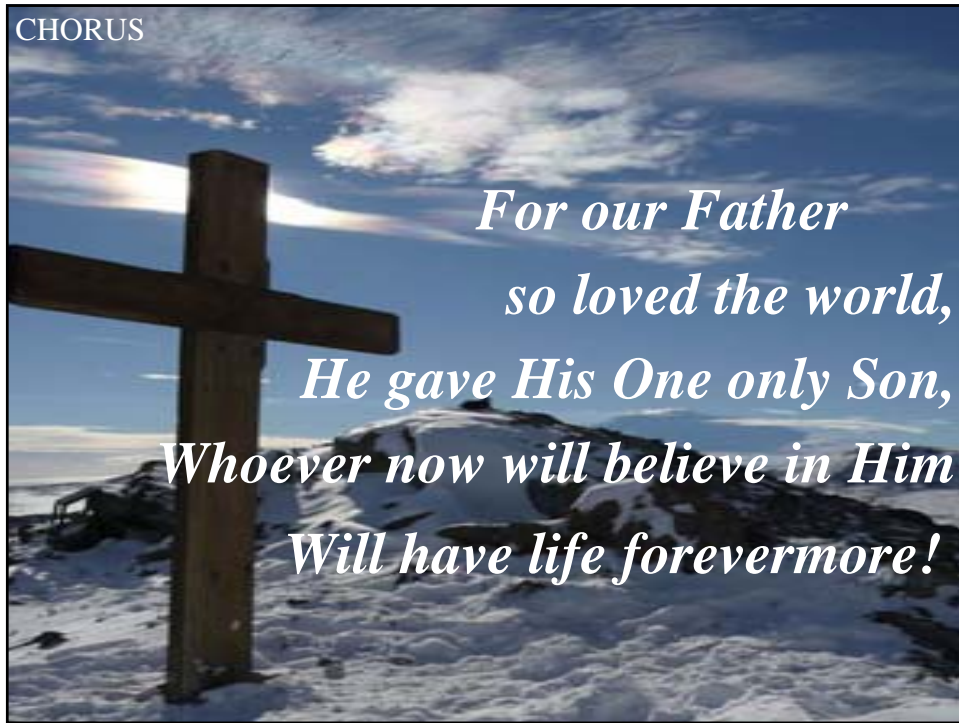

Greater than all powers
of earth and heaven,
Taller than the highest
mountain peak,
“IS” beyond the concept of our minds;
The Lord God,
Almighty.

VERSE 3 cont'd

Purer in it's hope
than snow's white fall,
Wider than the span a bridge can reach,
Fuller than the cup that over-flows;
Love from the Almighty.

CHORUS

*For our Father
so loved the world,
He gave His One only Son,
Whoever now will believe in Him
Will have life forevermore!*

VERSE 4

Sing my soul
to praise Your Holy Name,
He who was, and is, will be the same,
Alpha and Omega, First and Last;
The Lord God, Almighty.

VERSE 4 cont'd

For His Son, The Lamb,
has paid the cost,
Came to save, redeem
and heal the lost,

Clothed us all in Him,
wiped clean our lives;
Love from the Almighty.

CHORUS

*For our Father
so loved the world,
He gave
His One only Son,
Whoever now
will believe in Him,
Will have life
forevermore!*
