

<sup>v1</sup> If only, yes only,  
His robe it could be touched;  
If only, yes only,  
Salvation could be reached.  
If only, yes only,  
I knew my  
hope was sure;  
For only, then only,  
My faith He'll make complete.

CHORUS

*Just one touch from You, Lord Jesus,  
With compassion at its core,  
Fans my faith to blaze full flourish,  
Brings God's presence in once more.  
Such peace You leave within me,  
"Shalom" soaks through my soul:  
For only, then only,  
My faith He'll make complete.*
