

VERSE

*Help me long for Your presence*

Help me long  
for Your presence,  
May my soul yearn,  
even faint,  
Let my heart and flesh  
cry out to the Living God;

VERSE cont'd

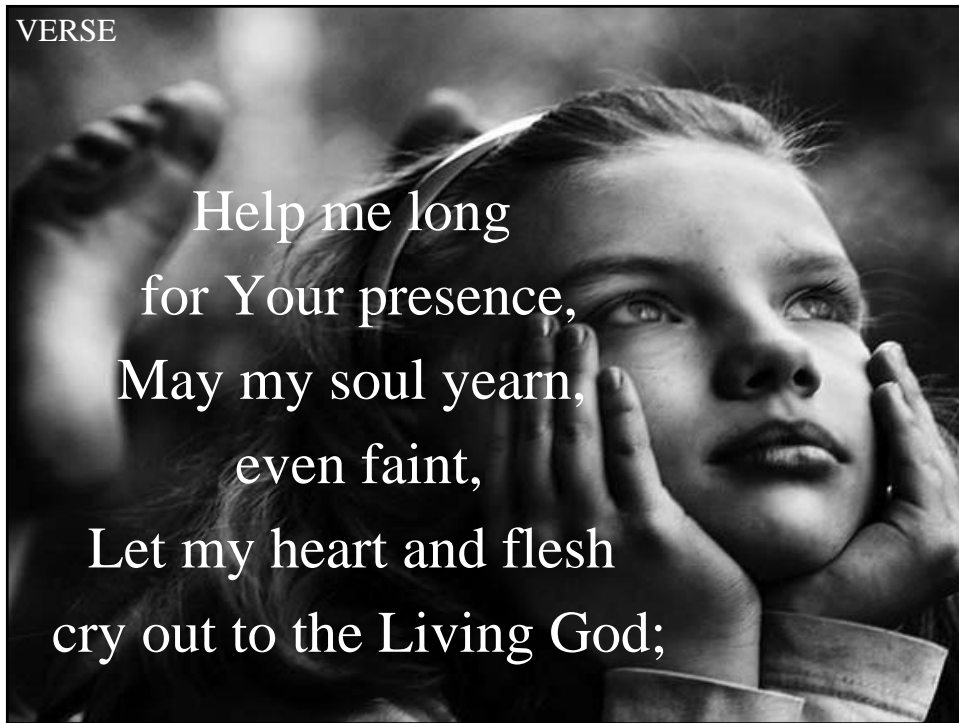

Just a day  
in Your  
courts, Lord,  
Is worth more  
than thousands elsewhere,  
As Your Spirit's power  
wells up from  
deep within.

CHORUS

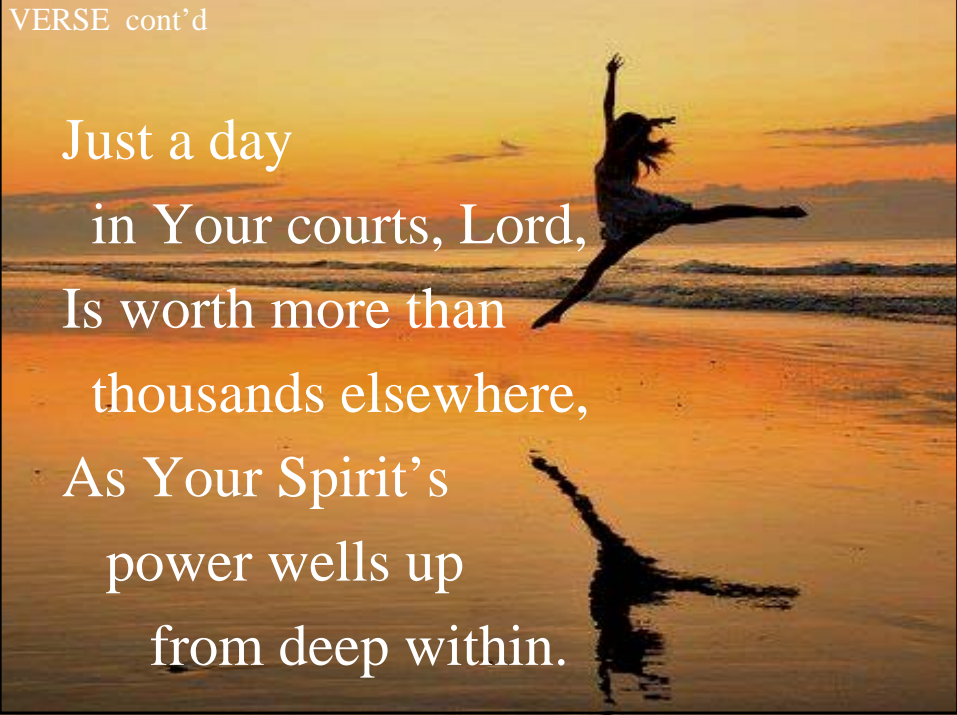

*Sing praise to God, my soul,  
Whose love redeems, makes whole,  
Rich blessings count,  
my soul, today;  
Death's price paid  
for the home,  
By grace, that's now my own;  
Sing praise to God,  
my soul today!*
