

How can we know? (Love unreserved)

How can we know the depth of Your love?
Why would You choose to lavish on us
Love unreserved for those that don't deserve?

Your love freely given.

Why did You come and stand in our place?
Suffer our pain and take our disgrace?
Love unreserved; for those that don't deserve

Your love freely given.

With confidence we come & stand face to face

Not for what we have done

But by the gift of grace!

*Love that's so real, love that's so pure,
Love that will never let you go,
Love new every day, and forever fresh;
Such mercy from God!*

*Love that's so real, love that's so pure,
Love that will never let you go,
Love new every day, and forever fresh;
Such mercy from God!*
