

## **I'm a self-made man – Anne Bailey**

Got to make some money  
Got to Get rich quick!  
Got to make some money: get rich quick!  
Got to make some money  
Got to move and get ahead  
Got to make some money: get ahead!

*I'm a self-made man, I do what I can,  
I'm a self-made man, don't believe in a creator,  
All that you see, belongs to me  
Rich is my name and riches are my aim  
(It's my life!).*
