

## **It's much harder – Anne Bailey**

*It's much harder, it's much harder*

*Harder, it's much harder*

*For a rich man to enter the Kingdom of God  
Than for a great big, enormous, two humped camel  
To pass through a needle's eye!*

Got to work and earn some money  
Got to get some good things for me and the wife.  
Got to earn enough to spend on leisure  
Got to have some pleasure: it's the meaning of life.  
Got to work and climb the ladder  
Got to get some status, Oh babe is that true!  
Got to keep on movin' and be successful  
Got to get ahead if it's the last thing I do.

*(INTERLUDE FOR CANE TAPPING/DANCE ROUTINE)*

*It's much harder, it's much harder*

*Harder, it's much harder*

*For a rich man to enter the Kingdom of God  
Than for a great big, enormous, two humped camel  
To pass through a needle's eye,  
Than to pass through a needle's eye,  
Than to pass through a needle's eye!*

*See Matthew 19:16-26*
