

Mighty is the thunder, Paul G. Barnsley

Mighty is the thunder of Your Name,
Louder than the pound of storm-tossed waves,
Far above all earthly kings and realms;
The Lord God, Almighty.
Higher than the heavens o'er the earth
Farther than the East is from the West,
Deeper than the trench carves ocean depths;
Love from the Almighty.

*For our Father so loved the world
He gave His One only Son,
Whoever now will believe in Him
Will have life forevermore!*

Praise the Lord, my soul, let all within
Glorify Your Name, tell of Your works;
Who created light to garment earth?
The Lord God, Almighty.
Love so patient, kind, it does not boast,
Trusts, protects and always gives us hope,
Sends the Spirit's power revealing truth;
Love from the Almighty.

*For our Father so loved the world
He gave His One only Son,
Whoever now will believe in Him
Will have life forevermore!*

MID 8

*Sing praises to our God, exalt His Name on high,
Rejoice and give glory to Him!*

...(PTO)...

Greater than all powers of earth and heaven,
Taller than the highest mountain peak,
“IS” beyond the concept of our minds;
The Lord God, Almighty.
Purer in it’s hope than snow’s white fall,
Wider than the span a bridge can reach,
Fuller than the cup that over-flows;
Love from the Almighty.

*For our Father so loved the world
He gave His One only Son,
Whoever now will believe in Him
Will have life forevermore!*

Sing my soul to praise Your Holy Name,
He who was, and is, will be the same,
Alpha and Omega, First and Last;
The Lord God, Almighty.
For His Son, The Lamb, has paid the cost,
Came to save, redeem and heal the lost,
Clothed us all in Him, wiped clean our lives;
Love from the Almighty.

*For our Father so loved the world
He gave His One only Son,
Whoever now will believe in Him
Will have life forevermore!*
