

## **Love everlasting – Paul G. Barnsley**

Love everlasting, spanning all eternity,  
Love everlasting, hear God's call of hope for me,  
Love everlasting, when I'm feeling far away,  
Reaching out to draw me back to His own way.

*For I'm convinced that there is nought can hold me from  
The love of God, as is attested by His Son,  
Who died for me and rose again, death overcome;  
Surpassing knowledge, everlasting love has won!*

Love everlasting, shall forevermore endure,  
Love everlasting, which is faithful, true and pure,  
Love everlasting, age to age is still unchanged,  
Reaching out to draw me back to God's own way.

*For I'm convinced that there is nought can hold me from  
The love of God, as is attested by His Son,  
Who died for me and rose again, death overcome;  
Surpassing knowledge, everlasting love has won!*

*We're more than conquerors through Jesus;  
No height or depth, angel or demon,  
Nor anything that's in all creation,  
Can separate me from the love of God, the love of God!*

*See Jeremiah 31:3, Ephesians 3:14-19, 2 Chronicles 20:21, Isaiah 55:3,  
Romans 13:10 and Romans 8:38-39. Written as an encouragement to  
Pastor Dereck Chunda following his "covenant of love" bible study*
