

How can I hear? by Paul G. Barnsley

How can I hear, Lord, how can I know,
What You want me to do, where You'd like me to go?
As I live out my life, will I be willing to show
That You're dwelling in me and let Your love inside grow?

Keep me alert to know just what's around,
Give wisdom to see below life's surface,
Help me patiently wait to hear Your Spirit's voice:
Guide my life's walk, develop my trust in You,
Guide my life's walk, develop my trust in You.

This song was written for Rev Gill Newton to encourage us to keep on trying to discern the authority of God in our lives. See 1 Peter 5:8 (be alert), Psalm 34:15 and Proverbs 3:5-6 (walk with God and trust Him), Psalm 37:7 (wait patiently) and I Corinthians 2:9-10 (ask for God's Spirit which reveals and searches even the deep things).
