

## On the tablet of my heart – Paul. G. Barnsley

On the tablet of my heart,  
Faith and love write there in stone,  
In the knowledge of my mind  
May Your laws be deeply sown,  
Help me trust with all I am  
Rely just on You alone,  
Heed Your voice, in all I do  
Acknowledge You.

*Give me hope to hear the music  
Of the future yet to come,  
And such faith so I've the courage  
Lord to dance to it today,  
Write Your letter from the Christ  
Upon the tablet of my heart,  
May Your Spirit's life to mine  
New life impart.*

In each dark and lonely place,  
May Your love and grace be shown,  
Where despair has over-faced,  
May Your love's light brightly roam,  
When the future seems so bleak,  
friends have gone and I'm alone,  
May Your Holy Spirit's power  
Show me my home!

*Give me hope to hear the music  
Of the future yet to come,  
And such faith so I've the courage  
Lord to dance to it today,  
Write Your letter from the Christ  
Upon the tablet of my heart,  
May Your Spirit's life to mine  
New life impart.*
