

To worship You with all my heart

To worship You with all my heart,
Emotions, body, strength and mind,
Today and ev'ry day is my desire.
Help me, O Lord, embrace the awe
And wonder of Your worthiness
Empower me with Your Spirit from above.

*That I may offer You a heart of worship
Full of Your passion,
overflowing with Your Love,
So Lord, I offer You this heart of worship,
Help it vibrate, express and relate
My love for You, O Lord.*
