

Betrothe us Lord unto You – Paul G. Barnsley

Betroth us Lord unto You
In righteousness and justice
In faithfulness
So we'll acknowledge You as Lord,
And bow our knees before You
To worship in Your presence
Respond O Lord
And show Your love unto Your own.

Then like Isaiah we'll see You on Your throne
Seated on high,
Your robe's train filling the Temple
And join with seraphs who called to those there.

Singing "Holy, Holy, Holy, Holy,
Holy is the Lord Almighty:
Look, see the whole earth, full of His glory"
Then feel the thresholds shake in awe
As Your presence filled that place, O Lord,
Let Your glory fill the church on earth again!

*This song deals with "corporate repentance" on
behalf of the church. Look at Hosea 2 v 19-20/23
and Isaiah 6 v 1-4.*
