

My peace I leave with you

*My peace I leave with you
“Shalom” God’s peace for you.*

A peace beyond feelings
Placed deep in your heart,
Unceasingly flowing
To those set apart.

A peace that’s from heaven
Not grudgingly given,
The world longs and hopes for;
Ours present and real!

So do not be troubled
My child, nor afraid,
But trust in your Lord now
I’m with you always!

*This song was written for a Maranatha retreat weekend
exploring “God’s Peace” – see John 14:17 and 14:1.
May God’s peace be with you.*
