

In faith I come before You – Paul G. Barnsley

In faith I come before You
And join angelic throngs
Who worship singing “Hallelujah”
To the Lamb of God.
The blood He shed on the cross
Made a new and living way
To enter the Most Holy Place
Completely cleansed from sin.

*There I'll be holding my Father's hand
Feeling assured of His love
Hearing His voice my doubts fail
Beside the light of His Grace.
And as He's holding me by His right hand
Then all fears in me fade
I sense Him guiding my heart:
I trust in You, Sovereign Lord,
My Refuge and my Rock.*
