

Lamb of God – Paul G. Barnsley

Lamb of God, Most Holy One,
Jesus Christ, God's crucified Son,
You paid the price
by Your death on earth to show,
The depth of the Father's love for me.
So now I'm free to walk into His presence
Through the veil that's torn apart
With confidence,
For Your blood has cleansed all my sins.

*And so I'll sing of what You've done
Through this Your victory on the cross,
Yes, I'll exalt the name of Jesus on high:
For at Your name all things created
Will bow down upon their knees
To acknowledge that Jesus is Lord:
My Jesus, O Lamb of God.*
