

**Open these eyes to see – Paul G. Barnsley**

Open these eyes to see  
Open these eyes to see, O Lord,  
The Host of Heaven around us.

Open these eyes to see  
Open these eyes to see, O Lord,  
The Host of Heaven around us.

Ten thousand of thousands,  
Fires from the hills flow downwards  
For as Elisha said  
Don't be afraid for those with us  
Are more than those against!

(ENDING)

God's heavenly Host, our aid!  
God's heavenly Host, our aid!

*See 2 Kings 6:17-18*
