

Signs and Wonders – Paul G. Barnsley

*Signs and wonders, words of Jesus
Show His glory and pow'r from above.
Point us onwards, prompt our thinking
Build our faith to see the kingdom of God.*

At the wedding wine from water made
Ritually used by Jews to clean
Like the Law, which incomplete has been made whole
Changed by His grace, it now brings joy
We're reconciled with God.

From afar He healed the noble's son
Father came seeking in faith
Jesus said "Trust on my word, your son is healed"
No sign yet seen, but illness gone
That household then believed!

Fe five thousand with six loaves, two fish,
Filled twelve baskets with the scraps!
When asked "How can we believe You, where's the sign?"
Jesus replied, "I am the Bread of Life:
Eat, be renewed!"

Walked on water in a stormy sea,
Said, "It's I, don't be afraid."
Joined disciples in their boat, the waves He calmed,
God's presence came, to soothe their fears,
And strengthened faith anew.
