

There's a new day dawning – Paul G. Barnsley

There's a new day dawning with a freshness in the air,
Heralding the age that's coming for the church on earth,
Dew drenched ground anticipates God's blessings from above,
And all of heaven trembles with excitement at the thought.

*One Nation, One Kingdom, within which is acknowledged,
The sole rule of Jesus, God's Son, for in His Name,
All men will unite in awe and join creation's worship,
Of the Lamb of God, the Holy One, the Church's Living Head!*

There's a new day dawning, so repent and seek His will,
Heralding revival as God's Spirit breathes new life,
In His children's hearts to bring such glorious liberty,
That all of heaven trembles with excitement at the thought.

*One Nation, One Kingdom, within which is acknowledged,
The sole rule of Jesus, God's Son, for in His Name,
All men will unite in awe and join creation's worship,
Of the Lamb of God, the Holy One, the Church's Living Head!*

If we who are called by name will seek the face of God,
In humble prayer repents of wrongs
Then He will hear our cry from Heaven,
Forgive and heal our land!

*One Nation, One Kingdom, within which is acknowledged,
The sole rule of Jesus, God's Son, for in His Name,
All men will unite in awe and join creation's worship,
Of the Lamb of God, the Holy One, the Church's Living Head!*
