

**Did you welcome the strangers? - Paul G. Barnsley**

Did you welcome the strangers when they walked into your life?

Did you show them God's love within your heart?

Did you offer to feed them, spend time in conversation?

Did you try to help when you saw they were unwell?

**CHORUS**

*For followers of Jesus should show care and love for others*

*And so by doing entertain the angels unawares*

*And to the suffering bring relief to offer hope and comfort*

*For God's Kingdom comes when you*

*Yes God's Kingdom comes when I*

*Welcome strangers here in Jesus' name:*

*What we do for the least of his we do for Him.*

*See Hebrews 13:2 and Matthew 25:31-46*
