

O, Light of Christ – Paul G. Barnsley (John 8:12)

SUNG RESPONSE IN BETWEEN PRAYERS

{ O, light of Christ
Scatter the darkness from Your world. } *2

Jesus, You are Word that was with God at the start of creation, the Word that caused light to be made and the Word that became flesh amongst us to show us God...

Jesus, You came to this earth that the blind might see, the lame walk, deaf hear and the captives might be set free. We ask that you would be with each one of us now, helping us see more of the Father, listen and walk in His ways ...

Jesus, we pray for all people who are feeling oppressed or downtrodden, through lack of food or shelter and those weighed down by the pressures of work and living. Give us the courage and desire to be part of the answer to their prayers –Your light for the world, as we show them Your love in practical and caring ways....

Jesus, in those situations where we struggle to see how we can influence the events of this world, give us the faith to pray that Your light would shine in the dark places.....

Jesus, as you intercede with the Father for each one of us, continue to shine the light of your hope in our lives...
