

Our Heavenly Father

**Our Heavenly Father
Will hear your cries today,
His tears fill the oceans
Joining with the saints who pray,
His love spans the heavens
Yet reaches down to all
And His ear has caught those voices
Now responding to His call -**

**To pray for the nations,
For their children, young and old
Come pray for the helpless,
For the weak and for the strong;
Intercede for all our leaders,
For our families and friends,
That all might find God's blessings
And Your love which never ends!**
