

Renew Your Spirit in my heart (Psalm 119)

Renew Your Spirit in my heart
And write on it Your laws
So soak it Lord that they well up
From deep within my soul.
Help me seek You in all my thoughts
Search the meaning of your Word
And meditate on Your decrees
Rejoicing in Your truths.

*For then I'll trust Your words to me
Giving praise with upright heart
Of Your faithfulness and unfailing love
And of the power Your Spirit gives
to live our lives Your way!*

To seek You lord with all my heart
Live solely by Your Word
To walk according to Your paths
Delighting in Your Laws
Write them within my heart and mind
Show the meaning of Your Word
And focus me on Your decrees
Illuminate Your truths.

For then I'll trust Your words to me....

May Your Word, O Lord, be a lamp unto my feet
And the light You've made for my path.
May my cry be heard before Your throne;
Save my soul, may it keep Your Laws.
